

International Coastal Cleanup Data Card for Singapore

Data collected during The Ocean Conservancy's International Coastal Cleanup is used to educate people and create solutions to the problems of solid waste and litter. Through partnerships with business, government, environmental groups and citizens, we are helping to change the behaviour and practices that create debris. Thank you for being part of this very important process.

Cleanup Location

Type of Cleanup: Mangrove Beach
Name of School / Organization: _____

Date of cleanup: ____/____/____ (DD/MM/YYYY)

Number of people working on this card: _____

Number of trash bags filled: _____

Cleanup Zone: _____

Cleanup Site: _____

Name of Organiser: _____

Distance Cleanup: _____ metres

Total estimated weight collected: _____ kgs

Entangled Animals: (Dead or Alive)

List all entangled animals found during the Cleanup. Tell us what they were entangled in (fishing line, rope, net, etc)

What was the MOST PECULIAR item you collected?

What do you think is the MAIN source of pollution in your area?

The following national or international organizations endorse and/or support the International Coastal Cleanup:

- ❖ Raffles Museum of Biodiversity Research, National University of Singapore
- ❖ Nature Society (Singapore)
- ❖ Sungei Buloh Wetlands Reserve
- ❖ U.S. Environmental Protection Agency
- ❖ IUCN - The World Conservation Union
- ❖ Intergovernmental Oceanographic (IOC) of the United Nations Educational, Scientific & Cultural Organization (UNESCO)

You may return this card to your Zone Captain or submit by spreadsheet via email.

Items Collected

Human-made debris, trash and litter...

- ❖ Harms the environment & wildlife
- ❖ Causes communities to lose money
- ❖ Threatens human health & safety
- ❖ Looks Bad!

Think about where all this debris comes from and how **WE** can prevent it!

Please pick up **ALL** debris found on the beach. Record information **only** for the items listed below.

Keep a count of your items using tick marks and enter the item total in the box. Example

8

 Beverage Cans ~~III III~~

SHORELINE AND RECREATIONAL ACTIVITIES

(Debris from beach-goers, sports, festivals, litter from streets/storm drains, etc)

- Bags (paper) _____
